

Rulemaking (R.) 20-07-013 Phase II

Technical Working Group #5

AUGUST 18, 2022

1:00 PM- 5:00 PM

- Purpose:** The main purpose of this Technical Working Group session (TWG #5) is to provide a platform for PG&E and SCE to present and discuss concerns regarding Phase II Staff Proposal recommendations. SPD Staff will also answer any clarifying questions regarding their recommendations.
- Expected Outcome:** TWG attendees come away with a deeper understanding of the Staff recommendations along with a consideration of concerns and potential issues raised by the IOUs and other stakeholders.
